II. INFORMATION REGARDING THE PLAN TO INCREASE CAPITAL WITHOUT PRE-EMPTIVE RIGHTS

Purpose and Objective of the PMTHMETD

In respect of the line of business of the Company, the management of the Company views that the Company needs to strengthen its capital structure. In light of this, the Company anticipates to issue the New Shares through the implementation PMTHMETD based on the Shareholders’ approval in the EGMS. Through the PMTHMETD, the Company is expected to obtain an alternative source of funding for the benefit of the Company.

In addition to an alternative source of funding, the Company expects that the investors who will take part in the New Shares is a strategic investor with the following criteria:

- (i) has the capital strength;
- (ii) has the ability to develop the Company in the future, either individually or with business partners; and
- (iii) giving positive leverage for the Company’s brand.

Thus, it is expected that the inclusion of the strategic investors can assist the Company in developing its business activities, thereby increasing the value of the Company, which in turn can provide benefits for all shareholders of the Company.

The New Shares and the Price of the New Shares

In accordance with POJK No. 38, PMTHMETD shall only be carried out by the Company upon the obtaining approval from the shareholders via the general meeting of shareholders or the EGMS. The EGMS of the Company will be held with due observance of certain procedures as regulated under POJK No. 32. The PMTHMETD shall be completed within 2 (two) years as of the date of EGMS approving the PMTHMETD. Further, the Company may only increase a maximum of 10% of the total paid-up capital of the Company which is stated in the amendment of the articles of association which has been notified and received by the MOLHR at the announcement of the EGMS regarding PMTHMETD. Subject to POJK No. 38 and the MESOP Programme, the exercise of the PMTHMETD can only increase 10% at most from the total issued and paid-up capital of the Company subtracted with the capital increase of the Company to conduct its MESOP Programme, that has yet to be fulfilled by the Company.

The amount of shares to be issued under the MESOP Programme is at most 485,616,300 (four hundred eighty five million, six hundred sixteen thousand, three hundred) shares, therefore the New Shares that will be issued in the PMTHMETD is at most 2,337,734,850 (two billion, three hundred thirty seven million, seven hundred thirty four thousand, eight hundred fifty).

The price of the New Shares issued in the PMTHMETD will be determined in accordance with Regulation No. I-A. The price of the Company's New Shares is at least the same as the average closing price of the Company's shares in 25 (twenty-five) consecutive Trading Dates in the regular market before the date hereof. Accordingly, the PMTHMETD price will be at least Rp 336.16 (three hundred thirty six point sixteen Rupiah) per share, namely following the average closing price for traded shares from 19 December 2017 to 25 January 2018. Based on trading price in the IDX, then the implementation price of the transaction is to be at least Rp 336.16 (three hundred thirty six point sixteen Rupiah).
